

Culture

Law & Order — Bl. people need it more than you

On "occupational exposure" plans

at 8 or 9 let them see what it's like

to be a plumber

doctor etc —

(mm) If they had funds in their family to share  
the benefits of the society

Project N = Interested Negro to

let children see successful black  
men.

Children  
from 18 months to 5 years of age

The occupational experience of  
the child is the first step  
to the development  
of the child's ability

(1) After the first month of life  
the child is in the world

Project 1 - The first year of life

At the end of the first year of life  
the child is in the world

Project 2 - The second year of life
